

Raven Hill Discovery Center's Work SMART

Be Part of Raven Hill Discovery Center's Work SMART (Science Mathematics and Related Technologies)

- **Teachers & Others: Prepare young women & men for a future where they are excited about science, mathematics, engineering, ready to study and enter a non-traditional career**
- **Strengthen students' skills: Including critical thinking (STEM) skills and creativity (Artistry) with challenging hands-on activities in the areas of Science, Technology, Engineering, Artistry, Mathematics (STEAM)!**
- **Students: Middle and Early High School Students**
- **Focus: Aligned with grade level topics and Common Core Curriculum**
- **Visits: Participants learn about & practice with Professionals in Non-Traditional Careers to experience various creative and critical thinking skills and they are challenged to utilize new skills to create products**
- **Program: Provided at school, your site or Raven Hill**
- **Rates: For information, rates and schedules call 231.536.3369 or 877.833.4254 or email info@ravenhilldiscoverycenter.org.**

Raven Hill Discovery Center's programs & operations are supported in part by the Michigan Council for Arts and Cultural Affairs and the National Endowment for the Arts through a 2014 Operational Grant Award.
