

A GUIDE TO UNDERSTANDING GREAT LAKES'  
INFLUENCES FOR ALL AGES

# Great Lakes Literacy

Essential Principles and Fundamental  
Concepts for Great Lakes Learning

VERSION 2, JUNE 2012

## Great Lakes Literacy Workshop

August 21, 2018

How well do your students know the Great Lakes? A key element of the Michigan Science Standards is to use local examples in addressing the standards.

Using the framework of the Great Lakes Literacy Principles, we will explore the human impact on our freshwater resources, and how teachers and their students can help improve the quality of life in our state, country, and ultimately our planet.

The workshop features an up-close experience with the Smithsonian Water/Ways exhibit at Raven Hill plus activities and resources for the classroom.

**Location: Raven Hill Discovery Center**

4737 Fuller Road, East Jordan, MI 49727

**Time: August 21, 2018 1:00 pm – 3:00 pm**

**Cost: There is no cost**

To register: call 231.536.3369 or email [info@miravenhill.org](mailto:info@miravenhill.org)  
by August 14, 2018.
