SACK is a dynamic and engaging experience for children that:

- blends learning, creativity, personal growth and play across the areas of science, history, and the arts
- allows children to delve into hands-on science experiments, exploring topics like chemistry, physics, geology and biology through interactive activities
- provides immersive historical experiences to learn about different time periods and cultures
- fosters artistic expression through various mediums, from painting and sculpture to traditional crafts, allowing kids to unleash their creativity and develop their talents

Raven Hill is located between East Jordan & Boyne City, just off C-48 at Pearsall Rd.
In Mile 15 of the Breezeway that runs along C-48 from Atwood to Boyne Falls.

WHERE **SCIENCE****HISTORY****AND****ART** CONNECT

(SUMMER ADVENTURE CLASSES FOR KIDS)

The **SACK** Program encourages experiential learning, where kids actively engage with the subject matter, sparking curiosity and critical thinking. Whether they're conducting experiments, exploring history or creating art, children are encouraged to learn through direct experience, promoting a deeper understanding and appreciation of the world around them.

SACK will be offered Mondays through Thursdays for the last two weeks in June, the last four weeks in July and the first three weeks in August. See specific dates below:
