Re: Weekly Update

Greetings Everyone!

Raven Hill was a happening place this week with Discovery camp for kids, a watercolor workshop for adults and visitors coming to explore the Center.

Camp began its first session and this year, each week of camp will spend a day discovering science, history, art, STEM and nature! New camp Director, Haley Tasiemski, along with Assistant Camp Director, Karen Burgess, encouraged the campers to explore both new and old at Raven Hill: hiking the main campus, visiting the Ancient World and, of course, engaging with exhibits in the hands-on museum & visiting the animals.

Luke Buck of Nineveh, Indiana led the Watercolor Workshop. Everyone painted a rowboat, each with her own signature style.

Summer hours are now in effect. Raven Hill is open weekdays from 10am to 4pm between Memorial Day and Labor Day. In addition, Raven Hill is open all year round from noon to 4pm on Saturdays and 2pm to 4pm on Sundays. Call 231.536.3369 or email info@miravenhill.org to make appointments for other times, including major holidays. **NOTE:** Make sure you have marked your calendar for the Open House here at Raven Hill on Sunday, July 10th from noon to 4pm. Help us celebrate 30 years of connecting science, history and the arts.

Have a wonderful week,
Cheri
