

Science Day: *Earth & Space*

Who: For families

What: The National Informal STEM Education Network (NISE Net), NASA and Raven Hill invites you to join us at the Discovery Center for Science Day

When: May 18, 2019 | noon to 4pm

Where: Warren Loranger Great Room and Main Campus at Raven Hill

Why:

- * Have fun!
- * Participate in hands-on activities.
- * Explore science and space.
- * Engage in experiences connecting science and technology.
- * Encourage exploration.

Stations will include activities like:

- Pocket solar system
- Stomp rockets
- Static electricity
- Filtered light
- Expanding universe

Volunteer scientists & engineers will be there to facilitate the hands-on activities for participants.

Cost: Free admission for Science Day and reduced admission (\$5 per person) for Raven Hill museum, animals and outdoor exhibits.
