Raven Hill
DISCOVERY CENTER

**ANNULAR
SOLAR ECLIPSE**

NOW - OCTOBER 7, 2023

OCTOBER 14, 2023

**10am - 4pm Weekdays
12pm - 4pm Saturdays
2pm - 4pm Sundays**

Noon - 4pm

This annular eclipse is the second of three notable solar eclipses viewable from the USA, where the Sun forms a 'ring of fire' around the Moon. The previous Annual Solar Eclipse was viewable 11 years ago.

The eclipse will be seen in Michigan at approximately 12pm (noon).

Bring your friends & family! Everyone must wear solar glasses. You may purchase solar glasses for \$2 each at Raven Hill or bring your own.

Free admission is part of our FREE 2nd Saturday program (final one for 2023)

**SMITHSONIAN
MUSEUM'S
NATIONAL
TRAVELING
EXHIBIT**

6 WEEKS ONLY!

Inspired by an exhibition from the National Museum of American History, this exhibit features stories from diverse communities across the nation AND brings a multilayered experience that reveals the leaders, challenges, successes and future of innovation in each featured town.

**Smithsonian Exhibit is FREE.
Raven Hill Discovery Center is \$10 per person.**
