A round tuit

At one time or another, we have all said that we would do something, when we get “around to it.” Today, we are going to make a genuine TUIT. If you make yours in a round shape, you can finally do all of the things you said you would do as soon as you got A ROUND TUIT, because you will have one. A round tuit is for those people who keep putting things off or procrastinating. In the 1900’s, a popular verse appeared using word play from the phrase, “when I get around to it”. The saying goes, *“This is a round tuit. Guard it with your life! Tuits are hard to come by, especially the round ones. It will help you become a much more efficient worker. For years you’ve heard people say “I’ll do that when I get a round tuit.” So now that you have one, you can accomplish all those things you put aside until you got a Round Tuit.”* To make your ROUND TUIT, cut a circle from paper or cardboard or use a metal can lid. Write the letters “TUIT” or “ROUND TUIT” across the center. Give one to someone to remind them to complete a task or just give them for fun. Take a picture of your ROUND TUIT and send it to me, if you want. I am a great procrastinator! (cheri@miravenhill.org)
