INDEPENDENT ACCOUNTANT'S REVIEW REPORT

February 17, 2025

To the Board of Directors of Raven Hill Discovery Center:

We have reviewed the accompanying financial statements of Raven Hill Discovery Center (a nonprofit organization), which comprise the statement of financial position as of June 30, 2024, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements. A review includes primarily applying analytical procedures to management's financial data and making inquiries of management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.

Accountant's Responsibility

Our responsibility is to conduct the review engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements for them to be in accordance with accounting principles generally accepted in the United States of America. We believe that the results of our procedures provide a reasonable basis for our conclusion.

We are required to be independent of Raven Hill Discovery Center and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements related to our review.

NOTES TO FINANCIAL STATEMENTS

for the year ended June 30, 2024

NOTE A - NATURE OF ACTIVITIES

The Raven Hill Discovery Center is a not-for-profit organization incorporated in Michigan in 1991 to conduct educational activities to promote science, historical and artistic interests. The Center's support comes primarily from admissions and fees related to the Raven Hill Discovery Center and from contributions.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Center have been prepared on the accrual basis of accounting.

Basis of Presentation

The Center reports information regarding its financial position and activities according to two classes of net assets that are based upon the existence or absence of restrictions on use that are placed by its donors: net assets without donor restrictions and net assets with donor restrictions.

Net assets without donor restrictions are resources available to support operations and not subject to donor restrictions. The only limits on the use of net assets without donor restrictions are the broad limits resulting from the nature of the Center, the environment in which it operates, the purposes specified in it corporate documents and its application for tax-exempt status, and any limits resulting from contractual agreements with creditors and others that are entered into in the course of its operations.

Net assets with donor restrictions are resources that are subject to donor-imposed restrictions. Some restrictions are temporary in nature, such as those that are restricted by a donor for use for a particular purpose or in a particular future period. Other restrictions may be perpetual in nature; such as those that are restricted by a donor that the resources be maintained in perpetuity.

The Center's unspent contributions are reported in net assets with donor contributions if the donor limited their use, as are promised contributions that are not yet due. Contributions of property and equipment or cash restricted to acquisition of property and equipment are reported as net assets with donor restrictions if the donor has restricted the use of the property or equipment to a particular program. These restrictions expire when the assets are placed in service.

When a donor's restriction is satisfied, either by using the resources in the manner specified by the donor or by the passage of time, the expiration of the restriction is reported in the financial statements by reclassifying the net assets from net assets with donor restrictions to net assets without donor restrictions.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles includes the use of estimates that affect the financial statements. Accordingly, actual results could differ from those estimates.

Advertising

Advertising costs are expensed as incurred. Advertising expense for the year was \$11,270.

Contributed Nonfinancial Assets

Contributed nonfinancial assets are reflected in the financial statements at the estimated fair market value at the time of the donation. Contributed nonfinancial assets recognized in the statement of activities totaled \$4,000 for the year ended June 30, 2024.

Donated services are recognized as contributions if the services (a) create or enhance nonfinancial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by the Organization. In addition, volunteers provide program assistance and fundraising services to the Organization. No amounts have been recorded for volunteer services.

Property and Equipment

Depreciation of buildings and equipment is provided over the estimated useful lives of the respective assets using the straight-line method. Depreciation expense totaled \$19,938 for the year.

Acquisitions of property and equipment in excess of \$1,000 are capitalized. Donated equipment is recorded at fair market value at the date of the donation. Purchased equipment is recorded at cost.

Exhibits and Collections

The Center has exhibits and collections that have been accumulated from donations, purchase or construction. Only acquisitions and donations from recent years have been recorded or valued by the Center.

Cash and Cash Equivalents

For purposes of the Statement of Cash Flows, cash equivalents include all bank accounts. At June 30, 2024, the Center had cash and certificates of deposit exceeding FDIC limits by \$75,277.

NOTES TO FINANCIAL STATEMENTS

for the year ended June 30, 2024

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Expense Allocation

The costs of providing the various programs and other activities have been summarized on a functional basis in the schedule of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefitted.

Revenue Recognition

The Center recognizes contributions, memberships, and grants when cash, securities, or other assets; an unconditional promise to give; or a notification of a beneficial interest is received. Conditional promises to give – that is, those with a measurable performance or other barrier and a right of return – are not recognized until the conditions on which they depend have been met. For the year ended June 30, 2024, the Center did not have any conditional promises to give receivable.

The Center recognizes program fees when cash or a notification of a beneficial interest is received. The Center provides admissions to the facilities, along with educational field trips for schools, and workshops and classes for the community. For the year ended June 30, 2024, the Center did not have any unearned revenue to report.

The Center records special events revenue equal to the fair value of direct benefits to donors, and contribution income for the excess received when the event takes place.
