then register online to ensure your spot!

LEARN 15 years and older

Experiment with hands-on activities that make learning exciting. Expand your understanding of old and new technology. Observe patterns in science and incorporate them into the arts. Uncover the technology behind the arts.

Sundays from 2-4pm

CREATE 12-14 years

Design your own inventions and artistic masterpieces. Construct bridges, sculptures and simple machines. Craft unique art using natural materials. Build amazing projects with recycled materials. Explore traditional art forms from other countries.

Free tuition in June, July and August – supported by the Smithsonian Museum on Main Street (MoMS), Cooper Hewitt, Smithsonian Design Museum, and Raven Hill Discovery Center

Saturdays from Noon-2pm

GROW 9-11 years

Expand your understanding of your world. Develop new skills while having fun. Stretch your imagination with hands-on learning. Deepen your appreciation of science, history and art. Enhance your knowledge and confidence.

Weekdays from 2-4pm

Sign up by the day or week.

PLAY 5-8 years

Summer Adventure Classes for Kids (SACK). Try something new and exciting each visit. Express yourself through art and music. Interact with animals. Move with every outdoors. Laugh and learn during unforgettable summer adventures.

Weekdays from 10am-2pm (bring your lunch)

Sign up by the day or week.
